Welcome!! We are excited your cat is staying at Mission: Cats! Now please read the following aloud to your cat. 😊😊

Dear New Recruit:

We only accept cats over 4 months and who have been spayed/neutered.

You must be properly vaccinated! FVRCP (3 in 1) is required; we highly recommend Feline Leukemia and Rabies. Please bring your papers when you are checking in or let your vet e-mail or snail mail them to us prior to your visit. If you are old/mature/aging we accept written exceptions from your vet.

Mission: Cats is a FLEA-FREE zone. All kitties are required to be on a flea medication like Advantage, Frontline or Revolution. If you are not a regular user we can dose you with Revolution for \$25 upon arrival. Regular flea treatment is recommended as it also helps prevent yucky tapeworms.

Tell your parents to bring your favorite blanket or bed with your name clearly marked. Also toys. And treats. And plans for world domination.

Your parents should pack you enough food to last your entire stay; if you eat all of your food before the end of your stay, they may be charged extra. We offer luxuries like extensive grooming comb or brush outs, kitty massages, dry baths and nail trims. Tell your parents to spoil you while they are away. Give them the look.

If you have parents who know they should be fascinated with your daily routine, they may want to sign up for email updates for \$2/day per cat. You can write to them via e-mail, although the webcams will show the play spaces. Our Twitter and Tumblr have updates about Mission: Cats and its guests.

Cancellation Policy: During non-holiday periods we require 48 hours notice prior to your appointment or you will be subject to a \$50 cancellation fee. During holiday periods we require 4 days notice prior to your appointment or you will be subject to a \$100 cancellation fee. Holiday periods are as follows: July 4, August 26-Sept 4 (Burning Man), Labor Day, November 20-26 (Thanksgiving) and December 20-January 5.

We accept drop offs and pick-ups by appointment only between 8am and 6:30pm. We require a one-hour window; otherwise you'll be subject to a \$15 late fee. Thank you for choosing Mission: Cats! Please return the intake form to missioncats@missioncats.net

Advanced Directives for Medical Care in Owners Absence

I understand that if my pet is suffering from a critical injury, illness or disease that carries a guarded to poor prognosis where resuscitative efforts or humane euthanasia may become necessary. Should, based on the medical judgment of veterinary staff, my pet's medical condition deteriorate and I cannot be reached to make timely decisions regarding his or her care, I request that the Mission: Cats pursue such medical care as indicated below.

Cardiopulmonary Resuscitation (Please Choose One)

_____ *REQUEST FOR CPR.* I direct that, if required, cardiopulmonary resuscitation be performed on my pet, which means all medically reasonable attempts will be made to resuscitate my pet. I understand that the survival rate of animals requiring CPR is poor (less than 10%). I further understand that veterinarians are not on the premises at Mission: Cats and that, regardless of this election, CPR is not possible after hours (7pm to 8am) during these hours. The cost estimate for CPR by a vet is \$800-\$1000.

_____ *DECLINE CPR.* I direct that no attempt to resuscitate my pet be made, which means withdrawing all life sustaining procedures, methods and devices, including cardiopulmonary resuscitation, respiratory support, injectable medications, and artificially administered feeding and fluids.

Humane Euthanasia (Please Choose One)

_____ *REQUEST FOR HUMANE EUTHANASIA.* In the case of sudden deterioration of the health of my pet such that he or she appears to be experiencing pain or suffering that cannot be ameliorated with medications or supportive care, I direct that my pet be humanely euthanized to prevent such further pain or suffering. The cost estimate for humane euthanasia is typically under \$200.

_____ *DECLINE HUMANE EUTHANASIA.* I direct that humane euthanasia not be performed on my pet without my prior consent, even in instances of extreme pain or suffering.

Liability Release

In consideration for following my wishes, I hereby forever release Mission: Cats, its staff and authorized representatives from any and all liability and claims for damages, including claims for death, injury or property damage, whether or not resulting from negligence or misconduct attributable to such parties, that I may have or that may subsequently accrue to me, as a result of honoring this directive, and I declare that such parties are acting in accordance with my directions. I further agree to indemnify such parties for any third-party claims that I am not authorized to act on the animal or owner's behalf.

I certify that I am the legal owner or the duly authorized agent for the owner of the pet identified above. I understand that my wishes may be carried out immediately upon my signing this agreement. Applicable fees have been explained to me, and I assume full responsibility for all charges applicable to these services. I have carefully read and fully understand the foregoing provisions. I agree to reimburse "**Mission: Cats**" for any additional fees for tending to emergency or veterinary care as well as any expenses incurred for any other unexpected food or other supply needs. Client also agrees to reimburse "**Mission: Cats**" for additional time accrued at the rate of \$40.00 per hour in the case of such an emergency.

We will make every reasonable attempt to contact you should your cat become ill or injured during their stay at Mission: Cats.

Any decision you make while on the phone shall supersede your written directives.

If we are unable to reach you, we will attempt to reach your emergency contact. Please discuss with them your wishes so they can be prepared to make decisions on your behalf.
